EXPERIENCE

FILMMAKING

Since 2018

As a filmmaker since 2018, I founded my own studio: WeLog Studio.

The videos I created include but are not limited to: Cinematic Traveling VLOGS, Video Producing Tutorials & Music Video.

I started making a whole series of 0 to 1 tutorial of Davinci Resolve since 2020, which aimed to teach people on video editing, visual effects, and color grading. The views of the whole series of tutorial is more than a million. I am still updating my tutorial every month.
